

Critical Questions for TEACHERS OF ELs

What do you need as a teacher of ELs?

What do you believe are the benefits to ELs of being in a coteach setting?

How do you see planning with a coteacher or alone the same/different?

What do you believe are the benefits to native English speakers when having ELs in the classroom?

How do you see teaching with a coteacher or alone the same/different?

How might you strategically and intentionally group students?

What do you think are the scaffolds and accommodations your ELs need?

What would be one change in student achievement that would be a reinforcer to you?
